

Kelowna Kodiaks Parent/Guardian Code of Conduct

This Code of Conduct is meant to support player development. Families need to follow these rules to create a positive and respectful environment for everyone. Kids learn by watching us, so parents/guardians should set a good example and show sportsmanship to everyone involved.

As a parent/guardian, I agree to:

- Make sure my player arrives on time for all games and practices.
- Pay all team fees in a timely fashion.
- Show sportsmanship before, during and after games, whether we win or lose.
- Stay out of the playing areas (i.e., bench, floor, dressing rooms) unless approved by the coaching staff.
- Avoid coaching players from the sideline during games and practices.
- Treat coaches, players, managers, officials, and KMLA Board members with respect, including when channeling concerns through any medium.
- Avoid engaging in any negative social media activity such as baiting, taunting, or disrespect to other players, coaches, managers, officials or organizations.
- Never use language to manipulate, insult, ridicule, humiliate, control or disrespect, which constitutes verbal abuse and violates this Code of Conduct.
- Respect and maintain all facilities such as arenas, fields, boxes, hotels or areas used for team activities.
- Avoid misrepresenting my role within the association.

I understand that:

- Spectator misbehavior, including verbal abuse, or misrepresentation is grounds for barring from all Kodiaks sites and events and could lead to other disciplinary action as per KMLA constitution and policies. Players may also be removed from their team.
- Kelowna Minor Lacrosse follows the Fair Play Code as outlined by the BC Lacrosse association. I agree to follow the principles of Fair Play.

I have read and understand this Code of Conduct for Parents/Guardians and the Fair Play Code. I will follow these rules at events that I go to as a Kelowna lacrosse parent/guardian. If I have questions regarding this policy, I will ask Kelowna Minor Lacrosse.
